

NYC DOE Website

schools.nyc.gov

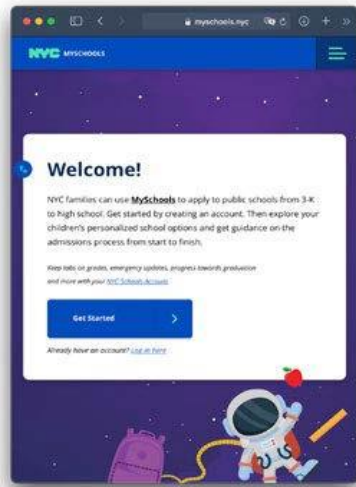

How to use it:

Find up-to-date information on NYC public schools, including how to apply to school

Who's it for:

Anyone: This website is open to the public—you don't need an account

- The latest information on all DOE policies, processes, and events
- Admissions resources; video playlists, accessible version of the NYC Public Schools Admissions Guide, and more.

MySchools Account

[MySchools.nyc](https://myschools.nyc)

How to use it:

Explore schools and early childhood programs, build an application, apply, get offers, and check wait lists—all in one place

Who's it for: Anyone: Year-round, school directories are open to the public

Families with children applying to school: Create an account to access a personalized search and your child's application

- Access your child's personalized application and apply and/or register online
- Search for specific schools, or filter based on your own criteria
- Learn about your zoned school, if you have one
- Choose up to 12 programs that your child would like to attend
- View your results and offers, as well as manage waitlists

NYC Schools Account (NYCSA)

[SchoolsAccount.nyc](https://schoolsaccount.nyc)

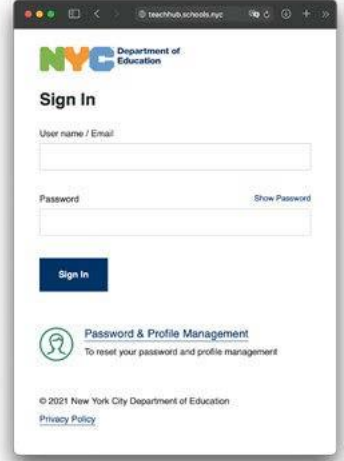

How to use it:

Track your child's education—see grades, get updates, and more

Who's it for: Anyone: Create an account to get general DOE emergency alerts

Families with children currently in DOE public schools: Add children to your account to access their records

- Attendance
- Graduation Tracker
- Guardians
- Health Information
- Individualized Education Program (IEP) Information
- Promotion Tracker
- Reading Level
- Student Documents (Report Card, Transcript, Summer School Letter)
- Transportation

DOE Student Account

teachhub.schools.nyc

How to use it:

The DOE creates a student account for every single New York City public school student, including 3K and Pre-K students. With your DOE student account, you can access an array of DOE technology platforms

Who's it for:

Students

- Upload vaccination proof
- TeachHub
- iLearnNYC
- Google for Education,
- Microsoft Office,
- Zoom, and more
